

Campbell 2019 Districting

Population Unit ID Numbers

An online version of this map that allows you to zoom in and out for more detail is available as a link from the City website.

Each number indicates the total population of that "population unit" area.

Each district must have essentially equal population.

The population of each of the five districts must be close to 8,103, with no more than a 810 difference between the largest and smallest.

In a four-district map, each district must be close to 10,129, with no more than 1,012 between the largest and smallest.

Please use a thick dark-colored pen to draw your map, then submit it at City Hall or directly to our project consultants:

 You can hand-deliver, mail, fax, scan and email, or photograph and email your map.
